

## Rooms

The modern and functional structure was inaugurated in June 2007. In the design phase, particular attention has been given to the choice of materials, furniture and interior decoration. The rooms, 14 in total, were elegantly decorated and designed to ensure privacy and silence. Each of them has a private bathroom. Please visit our services page for more details. The cleaning services are provided by qualified personnel on a daily basis.

There are also rooms for the disabled and the hotel features a modern elevator, for any transportation needs. All rooms are non-smoking, tobacco lovers can enjoy the quiet terrace, put at their disposal.
